Included:

- Return flight VIE-IKIA-VIE (maybe an indirect flight)
- Visa service
- Insurance in Iran (Iranian mandatory travel insurance which is limited to the Iranian borders)
- Accommodation (3-star hotel in the Iranian context, two persons share a twin room)
- Intercity transport (airport transfer, domestic flight, boat trip, train travel, tourist bus)

Not included:

- Austrian (European) travel insurance (optional)
- Daily meals
- Tickets of the museums and tourist attractions
- Inner city transport

Due to political developments in the past 6 months, the Iranian national currency has been subject to unpredictable fluctuations. Because of the U.S. pressures against Iran, international airlines are limiting their flights to Iranian destinations. These incidents may influence both our schedule (because of the flights) and to some extent the travel fees. Nevertheless, the organizers of the course will try to keep the excursion on schedule and in the foreseen budget.
